The image shows a macOS window titled "Erabo Photo Selector". At the top, there are window control buttons (red, yellow, green) and a title bar. Below the title bar, there are two buttons: "Deselect All" and "Select All". To the right, there is a "Filter by:" dropdown menu currently set to "All". The main area of the window displays a grid of photo thumbnails. A modal dialog box is open in the center, with a text input field containing "Boda Fernando" and two buttons: "Cancel" and "Continue". At the bottom of the window, there is a status bar that says "0 Images Selected" and a "Continue" button. The background of the desktop is a scenic image of snow-capped mountains under a sunset sky.

The application window displays a grid of 12 photo thumbnails. Each thumbnail is accompanied by a small white square in its bottom right corner and a row of five stars below it. The photos include various subjects: a group of people in a forest, a mountain landscape, a woman's portrait, a person sitting on the ground, a woman in a forest, a woman in a red top, another woman's portrait, a sunset over a lake, and several other nature and portrait shots. At the bottom of the window, a status bar shows '0 Images Selected' and a 'Continue' button.
